Standard System (One Piece Stand)

Black 1.25" diameter steel tube with hooks for hanging the signs. Quality timber base 24" x 12". Signs are black lettering on white plastic, double sided with rounded corners for safety. Our most popular sizes are 24" x 16" or 30" x 24" (shown in picture).

Easy Handling System (Two Piece Stand)

As per Standard System but with the advantage of a space saving design. The Easy Handle System can be collapsed for transport/storage and easily assembled in minutes. Black painted steel tube, in two sections, sliding inside each other. Poles break down to a maximum of 4'9" x 2'7" for ease of handling and storage.

- Quick & easy to assemble
- Easy Handle System comfortably fits in a car
- Hard wearing durable materials
- Signs can be customised to your own requirements
- Delivery to mainland UK

Additional Signs for Standard System & Easy Handling System

Lightweight, durable, white plastic sign with black text on both sides.

Drilled for fixing to our Standard or Easy-Handle Systems.

Signs can be drilled with additional holes allowing you to hang multiple signs on the same pole.

Corners are radiused for safety.

- Please note that each Standard System & Easy Handle System are supplied with a 24 x 16" sign. These can be changed for other sizes if required (charges may apply.)
- Signs are eco-printed on both sides.
- Can be printed with your own bespoke requirements.
- Bespoke sizes available.

★ TIP: Please let us know if you are planning on hanging more than one sign from the same pole. We can then drill your signs accordingly & supply you with the correct number of 'S hooks' (50p each).

★ TIP: You can change the size of the signs which come with the Standard / Easy Handling Systems. Contact us for a revised price.
